

Southeast Conference Silent Auction

Dear Southeast families,

This year we had a lot of donations for the fall auction and not all of them were bid on. The PTO has decided to auction off those remaining items during the Parent/Teacher conferences. Items will be set-up on tables in the hallway and parents may register for a bidder number at the bake sale table. The auction will close on Tuesday evening around 8:30 PM and the winning bidders will be contacted on Tuesday evening or Wednesday morning. Payments must be made in cash or with a check and a valid driver's license. We have included a list of some of the items that will be up for auction.

Thanks for all of your support in our fundraising endeavors; we are more than half way to our fundraising goal for the year!

Sincerely,
The Southeast PTO
